Letter to Alumni

Development and Alumni Relations

Dear Class of 2026,

Congratulations on your graduation and welcome to the Columbia Business School alumni network! On behalf of the Development and Alumni Relations Office, and CBS alumni worldwide, we applaud your fortitude, determination, and accomplishments over the course of your business education. Rather than marking the end of your time at Columbia, your recent commencement ceremony kicks off the beginning of your new relationship with the School.

You now belong to a network of more than 50,000 alumni, some of the world's foremost minds in global business, government, and society, in more than 130 countries.

There are limitless opportunities to remain connected to your classmates and to the School. I encourage you to join your local alumni or affinity club, attend an upcoming alumni event, sign up to volunteer as an admissions ambassador or Columbia Career Network mentor, and engage with alumni and students on MyCBS.

Please visit the alumni website for additional information about your alumni benefits and resources, including how to update your email forwarding address. Stay tuned for the alumni newsletter and make sure to check out the Recent Alumni Board for updates and fun events with recent grads.

Once again, congratulations on this wonderful achievement! We can't wait to hear about the impact you'll make in your career and on the lives of others.
